

SpencerCare began working with Cirrus Healthcare in 2003; the first facility was Cirrus Trophy Club. Working with the owner and the designer,

SpencerCare helped to establish furniture standards:

- \$60,000 was eliminated from the original package
- Product Selections were upgraded to a higher quality
- \$9,500 was provided to the client in design services
- Favorable Purchasing Agreements were provided to client
- 10 weeks were cut out of the millwork schedule
- The furniture install had the shortest punch list of all trades
- Limited Number of Vendors helped save money
